## Recommendations

- Create a knowledge centre for your monday account.
- Use Templates to standardise use of monday docs you can link to the template inside boards with the 'Files' column.
- Visit the Column Centre to see how you can use columns more efficiently.
- Spend some time to tidy up the structure of your folders & boards within workspaces.
- Use 'Search Everything' function (top left corner) to directly locate client boards without having to display the full list & reveal other client info.
